

Breaking Free - My Library Guide

Beginner My Library sign-up

A step-by-step guide for beginners who want to create a My Library account and access purchased books, music, courses, and audiobooks on Breaking Free.

Website: <https://breakingfreemarket.com> Alternate URL: <https://breakfreemedia.web.app> Help Center: <https://breakfreemedia.web.app/support>

What is My Library?

My Library is your personal account on Breaking Free. It keeps everything you have bought in one place so you can:

- Read books in the flipbook reader
- Stream music (singles, EPs, and albums)
- Watch course video episodes
- Listen to audiobooks
- Save items to your wishlist
- Track progress on courses you are taking

You need a My Library account to stream music, watch courses, and listen to audiobooks. Books can also be opened through My Library after purchase.

Before you start

Have these ready:

What you need	Notes
Email address	Use the same email you used at checkout if you a
Password	At least 10 characters with both letters and num
Name	Your display name in My Library

Important tips:

- If you already bought something, register with the same checkout email so purchases link automatically.
- If you are also a Creator, you can use the same email - My Library activates on first sign-in.
- My Library is separate from the Affiliate login (which uses a member ID and crypto wallet).

Three ways to get My Library

You can set up My Library in any of these ways:

Method	When to use it
Register first	You have not bought yet, or you want an account
During checkout	You set a library password while paying - account
Register after purchase	You bought something but did not create an account

All three paths lead to the same My Library dashboard at /library.

Part 1 - Open the registration page

1. Go to the Breaking Free website footer.
2. Under Explore, click My Library.
3. Click Create a library account, or go directly to: <https://breakingfreemarket.com/library/register>

Already have an account? Go to <https://breakingfreemarket.com/library/login> instead.

Part 2 - Fill in the registration form

On the Create account page, complete every field:

Name (required)

Your name as it appears in My Library.

Email (required)

Your email address.

Already purchased something? Use the exact same email from checkout so your orders appear in My Library.

Password (required)

Choose a strong password:

- At least 10 characters
- Include at least one letter and at least one number
- Do not share your library password with anyone

Example format: MyBooks2026 (use your own unique password).

Legal agreements (required)

Check both boxes:

- My Library Terms and Terms of Service
- Privacy Policy

Security check

Complete the CAPTCHA / human verification shown on the page.

Create your account

Click Create / activate library.

You will be taken to your My Library dashboard.

Part 3 - Verify your email

For your protection, purchased content stays locked until you verify your email.

1. Check your inbox (and Spam or Junk folder) for a verification email.
2. Click the verification link in the email.
3. Return to My Library and refresh the page.

If you see a banner that says Verify your email to unlock purchased content, click Resend verification email and try again after a few minutes.

You should verify your email before trying to open books, music, courses, or audiobooks.

Part 4 - Sign in to My Library

When you return to the site:

1. Go to <https://breakingfreemarket.com/library/login>
2. Enter your email and password
3. Complete the security check if shown
4. Click Sign in

You will arrive at your library dashboard showing Your collection.

Forgot your password? Click Forgot password? on the login page, or go to </library/forgot-password>. A reset link will be emailed to you.

Part 5 - Your My Library dashboard

After sign-in, you see your personal library at </library>.

At the top:

- Your email address
- A Sign out button

Below that, tabs organize your content:

Tab

Books
Music
Playlists
Audiobooks
Courses
Wishlist

What you will find

Purchased books - open the flipbook reader
Albums, EPs, and singles - stream in the browser
Create and manage music playlists
Purchased audiobooks - listen in the browser
Video courses - watch episodes and track progress
Products you saved for later

You may also see quick rows like Continue learning, Continue reading, and Recently played for faster

access.

Part 6 - Open a book

1. Sign in to My Library.
2. Open the Books tab.
3. Find your book and click to open it.
4. Click Load book or Open protected reader if prompted.
5. If the reader asks you to sign in, use:
 - Email: your checkout / library email
 - Password: your library password (the one you set at checkout or registration)

Reader tips:

- Use Compact, Large, or Full screen view modes
- Books are read in the browser - they are not downloaded as PDF files in the normal flow
- Do not share your reader login details

Part 7 - Stream music

1. Sign in to My Library.
2. Open the Music tab.
3. Click a purchase to open the player.
4. For albums and EPs, pick a track from the track list.
5. Press play to stream in your browser.

Use the Playlists tab to group tracks you want to hear together.

Part 8 - Watch a course

1. Sign in to My Library.
2. Open the Courses tab.
3. Click your course to open the video player.
4. Use the episode switcher to move between videos.
5. Your progress is saved so you can Continue learning next time.

Part 9 - Listen to an audiobook

1. Sign in to My Library.
2. Open the Audiobooks tab.
3. Click your audiobook to start listening in the browser.

Part 10 - Link past purchases

If you bought something before creating My Library:

1. Register or Sign in with the same email used at checkout.
2. Wait a moment, then refresh My Library.
3. Your paid orders should appear in the correct tab.

If a purchase is missing:

- Confirm the email matches exactly (including spelling)
- Make sure payment completed successfully
- Try signing out and signing in again

Part 11 - Account created at checkout

If you set a library password when you bought something, My Library may already exist for that email.

1. Go to Sign in at </library/login>
2. Use your checkout email and library password
3. Your purchase should already be in your library

If sign-in fails, use [Forgot password?](#) or [Register](#) with the same email to activate the account.

Part 12 - Device and sharing rules

My Library protects creators by limiting sharing:

- Your account works on a small number of devices (typically two at a time)
- Each browser you use may count as a device
- Sign out on devices you no longer use to free a slot
- Do not share your password, stream links, or book reader credentials

Licensed content is for your personal use only.

Part 13 - Crypto purchases (optional)

If you paid with crypto (ETH, USDC, or USDT), My Library may show Escrow refunds and credits.

You can use this section to:

- Connect the same wallet you used at checkout
- Withdraw eligible on-chain balances
- Handle dispute-related actions when available

This only applies to crypto purchases - not card payments.
